Walker

Sacred to the memory of Hannah M. Walker Who departed this life March 5th 1847. Aged 36 years 5 months & 20 days. The deceased was a kind & generous hearted friend in all the relations of life. She died with the calm & peaceful assurance of a glorious immortality beyond the grave, and found in her dying experience - to use words on her lips in her last moments that - Jesus can make a dying bed feel soft as downy pillows are, while on His breast I lean my head and breathe my life out sweetly there.
